Lily’s at Firhouse Educate Together NS

Commencing Mid-August 2026

We are delighted to announce the launch of our dedicated childcare service for the Firhouse Educate Together community. Our goal is to provide a seamless, high-quality environment where children can thrive before and after school hours.

Our Pricing Structure

To provide families with financial predictability, our fees are calculated annually and **spread evenly over 52 weeks**. This means your weekly payment remains the same, regardless of school holidays or midterm breaks.

Service Option	Weekly Rate	Details
5 Days (Full Time)	**€150**	Full weekly coverage
3 Days	**€110**	Fixed days per week
2 Days	**€74**	Fixed days per week
Sibling Hour	**€50**	Term-time only (Not spread over 52 weeks)

Key Information & Terms

1. Year-Round Consistency

Unlike many services, our fees **do not fluctuate**. During non-term time (Easter, Summer, Midterms), when children are in the service for longer full-day hours, your weekly fee remains exactly the same as during the school term.

2. Fixed Day Policy

To ensure safe staffing ratios and consistent programming, all bookings are for **set days**.

- Once you select your days, these remain fixed.
- Days cannot be swapped or changed on a week-to-week basis (e.g., swapping a Monday for a Friday).

3. Payment Peace of Mind

By spreading costs over 52 weeks, we remove the "price spikes" usually associated with school holidays, allowing parents to budget with total confidence.

4. National Childcare Scheme (NCS) & Non-Term Savings

The rates listed above are **gross totals**. A unique NCS subsidy will be deducted directly from these prices.

- **Important:** During non-term time (school holidays), your actual out-of-pocket payment will **reduce**. Because children attend for more hours during holidays, you qualify for a higher NCS subsidy, which we apply directly to your balance.
